

Diacetinol

Diacetinol – 90 capsules per bottle, take 1 with each meal. Putting Blood Sugar in its Place, Naturally.

Finally, science is revealing some of the best nutrients for blood sugar support: Doctors have discovered that in addition to diet and exercise, there are certain nutrients that can help to support your blood sugar levels. This formula provides comprehensive support for healthy blood sugar.

Support insulin sensitivity and function with cinnamon, Glucotrim banaba leaf, chromium, and vanadyl sulfate. **Slow the release of glucose into your bloodstream** with Gymnema sylvestre extract

Scavenge and protect against the AGEs that develop when sugar is oxidized with Alpha Lipoic Acid (ALA). **Replenish your body's supply of magnesium**, an important ingredient for heart health and blood sugar. **Plus 13 more supportive ingredients!**

If you're overweight, obese, pre-diabetic, or already diabetic, then it's a daily concern of yours to worry about your blood sugar, and you probably already know that too much blood sugar...

- Increases risk for heart disease. Diabetes makes larger blood vessels more susceptible to heart attacks and strokes. "Seventy percent of people with diabetes die of cardiovascular disease," says Hertzel Gerstein, director of the division of endocrinology & metabolism at McMaster University in Hamilton.
- Makes it almost impossible for you to lose weight: diets and exercise seem to have little or no effect.
- Drains you of energy, always feeling tired, sluggish, unable to focus for more than a few minutes at a time.
- Causes anxiety and stress, affecting memory, mood, relationships.
- New medical research warns that too much sugar reduces your immunity by up to 92 percent! Buy Now.

Smile!
