

# Antarctic Krill Oil 60 / 120– Phospholipid Based for Excellent Results!

- 1** Most doctors, scientists and researchers now agree that Omega-3 EPA/DHA are absolutely essential for human health.
- 2** Krill Oil features a fast acting mechanism called Phospholipids that allow the Omega-3 to enter the system quickly.
- 3** A powerful and important health protector found in Krill Oil. Research shows that due to astaxanthin's potent antioxidant activity, it may be beneficial in cardiovascular, immune, inflammatory and neurodegenerative diseases.
- 4** Largest biomass on earth. Our Krill Oil is taken from the Antarctic Ocean where Krill are an overabundant species.
- 5** The waters of the Antarctic are pristine. The life cycle of Krill is very short, creating a perfectly pure nutritional supplement. Meets all national and international requirements and passes California's Proposition 65.

Available in: **60 Softgels.**

Three Reasons to take two capsules a day! Although small amounts, the results are large! "Highly beneficial." Dr. Mercola recommends all his patients to take Krill Oil daily. I take it daily and so should you! Studies suggest that the phospholipid backbone of the molecules enable the nutritional benefits to pass through to the cellular level without any enzymatic conversion needed. Quick acting to get the nutrition to where it needs to go.

My Personal Guarantee: **Garey's Signature Guarantee:** I personally stand behind my products, my website and my staff. If you have any concerns, please **contact me for a quick response!** Thank you!

Smile!

Garey Simmons is a holistic health coach, dietary supplement expert and board certified by the American Association of Drugless Practitioners. Garey turned his health challenges around in just a few months by using Omega-3 supplements. Garey is a graduate of the New York Institute of Integrative Nutrition and lives in Baltimore, MD and is the father of ten children.
